

**Expectations** What is it you hope to gain from peer review today?

**Scaffolding** Please read Mike's draft and watch his five-minute video. What practices might help you/your classmates attain expectations?

**Procedure** For this peer review, groups of three will follow these steps:

- ✍ Author clarifies expectations
- ✍ Author reads narrative aloud; peers write comments, use rubric
- ✍ Peers comment; author is silent
- ✍ Author responds to comments
- ✍ Repeat for other members of trio
